Stage 1. Aid delivery and preliminary processing (27.05 – 3.06)

- Humanitarian aid (27 pallets / ~8 tons), was delivered and duly received on Friday, May 27, 2022, ~at 13:00 pm in Uzhgorod, and temporarily placed at the local warehouse.
- From Monday, May 30 to Thursday, June 2 initial inventory, regrouping, resorting and repacking were conducted.
- For the sake of better storage conditions, faster processing and further delivery to final destinations, on Friday, June 3, all shipment was relocated to Ivano-Frankivsk, to warehouse with better location, facility and transport infrastructure.
- At the same time official written requests from specific regions, local funds and communities were received, analysed and selected for further fulfilment.

Stage 2. Deep inventory, sorting and grouping accordingly to accepted requests, preparation to regional distribution and dispatch (06.06 – 10.06)

- Humanitarian aid (27 pallets / ~8 tons), was delivered and duly received on Friday, May 27, 2022, ~at 13:00 pm in Uzhgorod, and temporarily placed at the local warehouse.
- Comprehensive processing was fulfilled - sorting, grouping and packing accordingly to received requests after analysis and check.
- 10+ destinations and hubs (for further fractional distribution) were selected: Dnipro, Kropivnicky, Pavlograd, Mariupol refugee`s centre in Kyiv, Novovolynsk, Borodyanka, Makariv, Poltava, Khmelnytsky, Ivano-Frankivsk region (rehabilitation centre in Goshiv village).
- Copies of request letters and consignment notes with detailed lists of shipped goods are [here](#).

Stage 3. Delivery and distribution to final recipients (11.06 – still in process)

- All pallets and packed goods arrived at final destination hubs in good conditions, without any damages and losses.
- After arriving all goods have been given out to final recipients or split up for further delivery to specific places and addressees.
- Photo reports of main stages and final deliveries are attached (see next slides).

On behalf of TAS Life team,
people who received aid
and all Ukrainians
we express the greatest
gratitude for your help!

Please, look on how everything
was done (see next slides).

The shipment was divided to smaller parts accordingly to received written requests and **distributed to regional humanitarian hubs and specific recipients** (as defense forces, hospitals, refugee families etc). The division into smaller parts and careful selection of requests provided **maximum assurance** that aid went where it is **needed the most**.
